# Event Atmosphere

## COSTUMES

Feel like wearing normal running attire? Great!  
Feel like wearing something a little more...jungle inspired?  
Even better! Example Jungle Run Costumes:

**The Soldier** - Camo Fatigues, Boots, Face Paint, Helmets, etc. - Just your average 80s action hero

**THE HUNTER** - All Types of Hunting Camo, Beards, Game Calls, etc. - Show that jungle wildlife who's the boss

**THE EXPLORER** - Khaki, Satchels, Fedoras, Helmets, Binoculars, etc. - Go in search of gold...at the finish line

**Trophy and Special Prize for Best Costume!**

## RACE FACT

2k = 1.24 miles  
5k = 3.11 miles  
10k = 6.21 miles

Everyday runners can aim to finish a 5k in about 28 to 37 minutes. Walkers can expect to complete a 5k in around 45 to 60 minutes.
